You can also log into your My **extraenergy** online portal to enter your meter readings at www.extraenergy.com/myextraenergy

If you haven't already registered for this service, please visit www.extraenergy.com and follow the simple on-screen instructions. Here you'll be able to view your account and submit meter readings.

Once we have your new readings, we'll make sure your bills and statements are correct. If you've already sent us meter readings recently, you don't need to send them again, but please do continue to submit readings as frequently as possible.
