extraenergy[®] logos

The logo should always be used on white, but when necessary, there are some reverse options available.

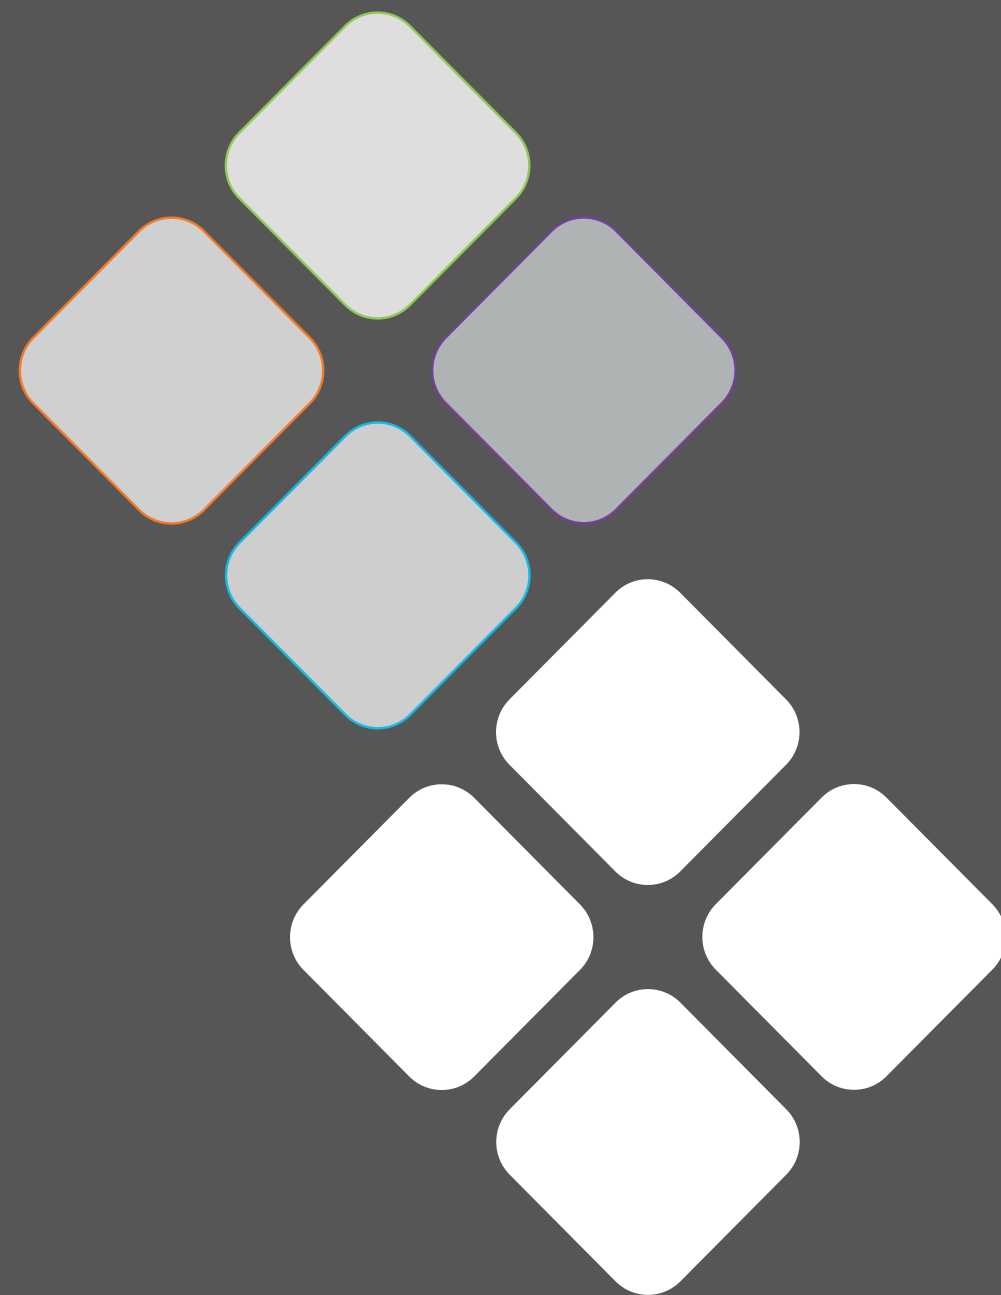

extraenergy[®] logo placement

Ensure that when the logo is placed, it's spaced from other objects, or from the edge of the document, using the width of the diamond logo as a guide.

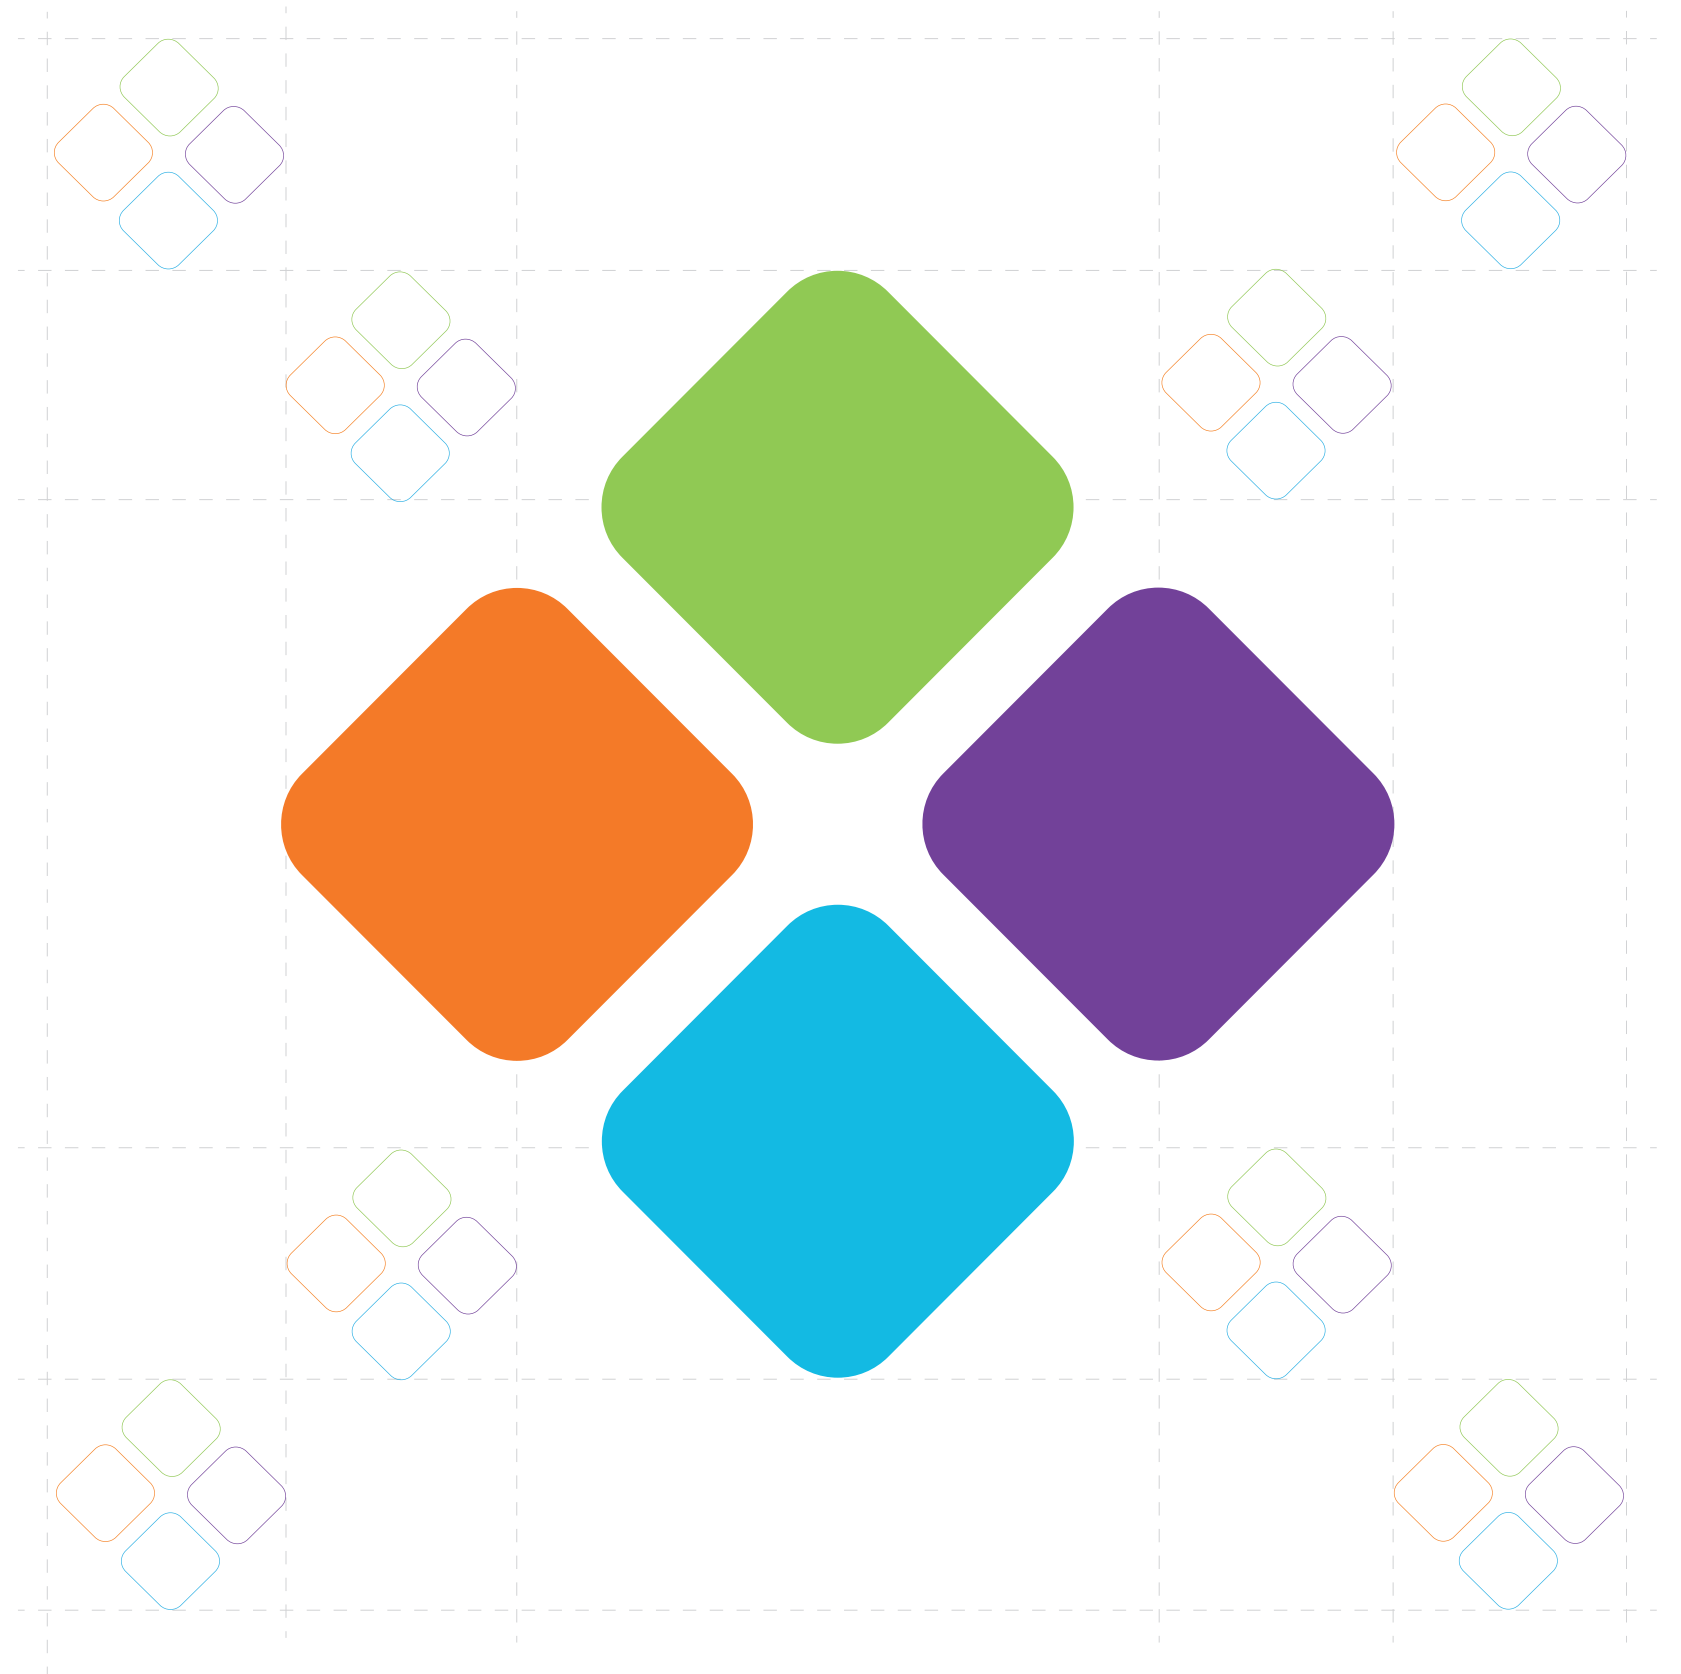

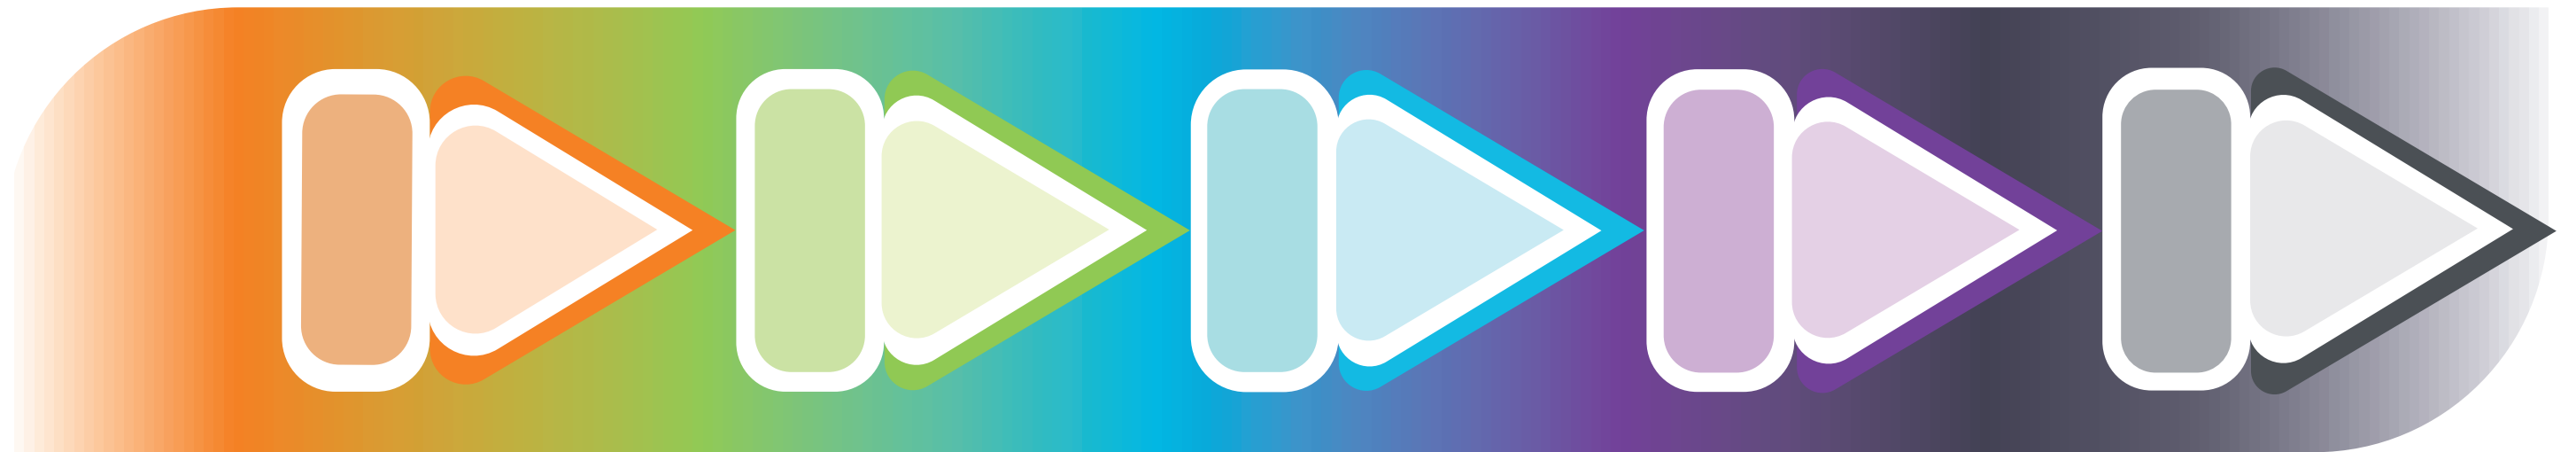

The badge should always be used on white, but when necessary, there are some reverse options available.

extraenergy[®] badge placement

Ensure that when the badge is placed, it's placed in line with other objects.
